A2-Appendix

Regarding items whose confirmatory result are "Not Applicable" in clause A2, "X" are marked in the result column based on the criteria in accordance with "The SHARP's policy of delivery dates to SHARP and EU RoHS exemption's due date".

The SHARP's policy of delivery dates to SHARP and EU RoHS exemption's due date.

1) In principle, SHARP set up delivery prohibition date to SHARP as "six month" before the due date of EU RoHS exemption.
