## So Compact, So Easy to Use

Whether in your home or office, you can enjoy the convenience of fax, copy and phone functions in one compact and easy-to-use package.

### No More Hunting for the Scissors...

#### Automatic Paper Cutter

An automatic paper cutter trims incoming faxes to the same length as the original transmission. No more long scrolls or hunting for the scissors.

### Improved Fax-Communication...

#### 448KB Memory

Don't worry if the UX-61 runs out of paper. When that happens, its substitute reception holds up to 17 pages\* of documents in its generous 448KB memory.

### Stop Searching for Phone Numbers...

#### 40-Number Automatic Dialler

Store 5 frequently called numbers for instant one-touch dialling, and 35 numbers for speedy two-digit speed-dialling.

### Don't Bother Hand-Feeding Sheets One by One...

#### 5-Sheet Auto Document Feeder

No longer spend time hand-feeding sheets one by one. The ADF saves you time by letting you place up to 5 sheets at a time into the tray for automatic document feeding.
